

Tewksbury Community Pantry Golf Tournament August 8, 2008

The 2008 Golf Tournament was held on a fine early August day. Approximately 50 golfers enjoyed a fine day of golf, camaraderie, and charitable giving by participating in this annual event held at the **Tewksbury Country Club**.

This event is the pantry's single largest cash fundraiser and serves to provide monetary resources for the purchase of food throughout the year, supplementing donated food items. Each year the pantry purchases about \$20,000 of its \$140,000 in food distributions. Golfers participated in an 18 hole round of scramble golf, a luncheon, and raffle. One way or another, everyone who participated went home a winner!

The event brings many in our community together to help those in our community in need while having a good day among friends. The 2009 golf tournament will be our 10th year and will be held on **August 7, 2009**. If interested in participating as a golfer or a sponsor, feel free to contact the pantry at info@tewksburypantry.org or Todd Johnson at tjohnsonesq@gmail.com.

There were many who helped out, played and sponsored, thank you to you all for making this another successful golf fundraiser for the pantry! Your continued support is very grateful, see you next year!!
