The Tewksbury Community Pantry was established in January 1995. It is governed by a volunteer board of directors and is operated exclusively by volunteers.

The pantry provides food assistance to Tewksbury residents in need, currently providing monthly food assistance to approximately 150 Tewksbury households. As our economy has deteriorated, the pantry has experienced an increase in use. Thanks to many in our community, we have never had to turn a person in need away for lack of resources.

The pantry is supported by local businesses, civic organizations, town residents, public schools, and youth groups. The US Postal Service sponsors a food drive each spring. Typically, our supporters provide canned goods for distribution. Our golf tournament represents the single largest cash fundraiser for the pantry each year. This enables us to supplement canned goods with the purchase of nearly \$20,000 a year in additional food such as meat and fresh vegetables. During the Thanksgiving and Christmas holiday seasons, the pantry provides the staples for a holiday meal to each household.
